## 2012 SYM Fiddle II 125

SYM is one of the worlds largest manufacturers of moto scooters Established in 1954, SYM quickly became a brand recognized for its innovation and quality.

When you are thinking scooter, the Fiddle II most likely resembles what you are imagining pretty closely: The classic Italian scooter look. With a top speed of almost 60mp/h, city streets are a breeze. The large seat offers plenty of room for you and your buddy. Where others charge you extra for the luggage rack, the SYM Fiddle II already comes with one. Although it only costs \$2300.00, the Fiddle II even comes with a two year warranty. Save a lot of money without compromising on classic scooter design.
